

FireRescue GPO is a program of NPPGov providing fire departments access to publicly solicited contracts from vendors who supply goods and services to the fire service. Contracts are created through a public RFP process by a Lead Public Agency that allows members to “piggy-back” on the contract—eliminating the need to complete their own RFP process. FireRescue GPO staff and legal counsel facilitate this process and provide necessary documentation and support.

In addition to saving you money, the program generates revenue for the fire chiefs association where the purchase was made including the IAFC, IAFC Division Associations, and State Fire Chiefs Associations.

Harris: Leading technology innovator, solving customer’s mission-critical challenges by providing solutions that connect, inform, and protect.

Tessco: Value-added technology distributor, manufacturer, and solutions provider specializing in the wireless industry.

EDUCATION

Tammy Rimes, Executive Director of **NCPP**, recently spoke with *Government Procurement* about cooperative contracts picking up the slack in an aging workforce. As more and more government workers retire, more employees feel the strain of smaller teams and higher workloads. With work demands increasing and not enough bodies to help counter it, procurement teams must leverage every tool they can, including cooperative contracts. Read the complete article [here](#).

TESTIMONIALS

“We used FireRescue GPO/NPPGov to purchase lockers through GearGrid. We saved around \$400. The purchase went smooth and GearGrid was very helpful. We hop to use NPPGov for future purchases” - **James Harvill**, Fire Chief, Town of Arlington
